Main dimensions

Technical

In some cases when the carpets are new, the corners may try to curl back. Carpet tape or a simply weighting down will speed up the time it takes for the carpets to relax. There is no other technical information specific to this product.

Cleaning Instructions

Carpets from the Moooi collection can be vacuum-cleaned and or swept with a soft hand brush. For stubborn stains we recommend that you **DO NOT** apply harmful cleaning product but to dry clean or with a gentle fabric washing powder and a soft cloth. Lightly dab at the area until the stain has been completely removed. For further assistance on how to clean this product please contact your nearest Moooi agent or dealer located via our website. Moooi recommends always reading the label of any cleaning product you wish to use on or near any item from the Moooi collection.
