

IMPORTANT
TURN OFF THE POWER AT THE MAIN FUSE
OR CIRCUIT BREAKER BOX
BEFORE STARTING INSTALLATION

Carefully unpack and identify all parts before assembly. Bulbs are not included.

1. Carefully thread fixture wire through fixture loop. Screw fixture loop onto top threaded pipe until secure.
2. Open all arms so they are equally spaced apart to each other.
3. Install one of two provided threaded pipe into bottom coupler. Then slide cap up through threaded pipe and lock horizontal square tube attached at back of arms onto its notches. Lock cap into position by fastening finial.
4. Follow enclosed **"Chain Suspended Fixture Installation Instructions"** for electrical and fixture installation onto ceiling outlet box.
5. Install shades onto fitters by fastening counter rings onto threaded sockets.
6. Install bulbs (not included). See relamping label located at socket area for type and maximum allowed wattage.
