# The new standard in today's office

Today's work environment is becoming more intricate each day and greater demands are being placed on the products that furnish them.

Enter SYNC the new generation task chair economically bringing together function and form.

This dynamic chair includes all the required task chair functions, comfort, ergonomic support, adjustable seat height, depth adjustable back, multifunctional arms with syncro movement all as a standard.

Its thin profile and mesh back adds to its minimalist look, while its small footprint makes sure it is suitable for all today's work areas.

## Mesh Back

Contours and supports the back for maximum ergonomic support. Mesh material allows for ventilation and the dissipation of body heat.

## Fully Adjustable Arms

Armrests with soft arm pads can be adjusted into a number of positions from width to height and they even rotate.

## Adjustable Seat Depth

The adjustable back enable the seat depth to be controlled enabling both smaller and larger people to sit comfortably.

## Tension Adjustment

The tension to the synchron type mechanism enables the chair to comfortably support people of differing weights.

## Upholstered Seat

Soft and plush, the comfortable upholstered seat provides longer hours of comfortable sitting. The waterfall front edge of the seat helps reduce stress to your legs.
