

Ricami Stool

Materials: Powder Coated Steel

Dimensions: 14"L x 14"W x 16"H

Designer: Elena Manferdini

Colors: white black

The Ricami laser-cut metal stool is part of a comprehensive research on the relationship between fashion and architecture; ricami, the Italian name for embroidery, is a term that connotes the fusion of variegated figurations and ornaments through intricate and delicate connections. It involves notions of scale and transparency gradients.
