PRODUCT

The lampshade, the bulb and even the wire is transparent, but the form of 'Bulb' is classic.

The reflection and the thickness of the mouth blown glass gives it a rich and vibrant life. Here we see the real strength of good glass art.

Bulb won the GOOD DESIGN award 2001 by the Chicago Athenaeum: Museum of Architecture and Design. Sofie went on to gain other awards for her lighting designs after that date, such as Wallpaper Design Award 2006 for Best Light and shortlisted for the Blueprint Design Award. Best Light, also in 2006.
