182W03 POLAR

SELLING POINTS : Hand-forged steel has 70% or greater recycled content. Low-VOC finish. Recycled glass. ADA compliant.

CLASSIFICATION : Geosynchronous orbits and polar ice caps provide the inspiration (yes, we meant that seriously) for our Polar collection. Frosty ice crystal patterns in the glass are combined with silvery minimalist metal work to create our ADA bath fixture and clean aircraft-cable hung chandeliers and pendants. The ice crystal glass may be frosty, but the overall look is warm and modern.
