I26B0IH0 SOHO

SELLING POINTS : Hand-forged steel has 70% or greater recycled content. Low-VOC finish. Recycled glass.

CLASSIFICATION : It's wild like the swamps are. And it's wild like the Manhattan art scene, too. This decadent collection brings a tribute to Mother Nature into your living room (or bath, kitchen, etc.). Each fixture features tangled vines of recycled steel that support hand-crafted ice glass. The soft tones of the ice glass provide soothing balance to the design's asymmetry.
