# 203P03 ARGYLE

**SELLING POINTS** : Hand-forged steel has 70% or greater recycled content. Two-tone, Low-VOC finish. Glass frit inside for sparkle. Hand stamped for extra dimension.

**CLASSIFICATION** : One of us recently tried on a preppy argyle sweater from our teenage years. From that fashion calamity, our Argyle collection literally took shape. We took New Bronze-finished ribs and backed them with Desert Pearl-finished, double-stamped, recycled steel plate. Silver glass frit coats the interior for a bonus "Wow" when lit.
