239C10H0 MADISON

SELLING POINTS : Gold-tinted mercury glass candles and bobèches. Bulbs peek out the top of the glass candles, creating the illusion of candlelight. Hand-forged recycled steel.

CLASSIFICATION : Gracefully postured, Madison showcases a simple assemblage of elegance. Mercury glass candles create an illusion of movement through gold-tinted freckles and a suggestion of candlelight through clever bulb placement. Its elongated, tapered framework has nothing to hide.
