File Caddy

Models 10034, 10035, 17573

18" Deep
22" Deep
25" Deep
26 ½" Deep
14 ¼" W Letter
15" W Letter
17 ¼" W Legal
18" W Legal

INSTRUCTIONS:

1. Measure the depth of your file cabinet. Also, determine if your cabinet is letter or legal width.

2. Align caddy pieces as shown in illustration.

3. Line up appropriate holes corresponding to the depth of your cabinet. Line up appropriate holes for letter or legal width. (See illustration for depths & widths)

4. Insert bolts through holes from top.

5. Attach wing nuts from bottom. Tighten securely.
