

EP-560™ Inversion Table

The EP-560™ is the most popular model from our ComforTrak™ Series, Teeter Hang Ups® flagship line of inversion tables. This inversion table is built with superior components including pressure-reducing specialty foam ankle supports, a patented track-style bed and heat-treated, heavy gauge steel materials.

Choose Teeter for Back Pain Relief

Competitors have tried to mimic our best-selling products, but looks are where the similarities end. The real “Teeter Difference” is found in our premium components and innovative design born from 30 years of engineering evolution. Teeter inversion tables meet UL (Underwriters Laboratories) stringent inversion table safety standards, and our inversion tables consistently outperform the competition in comparison testing for endurance, rotation control, and ease of assembly.

Built for the Benefits

Easily adjustable for your body type, comfortable to use and a breeze to fold and store, a Teeter inversion table fits into your life as perfectly as it fits your body. A 5-Year Full Warranty and a legacy of over 2 million Teeter users give you confidence that you’re supported by the best in the business. Teeter Hang Ups® is fueled by the passion of one man who turned his own struggles with back pain into a life-changing solution for millions of people worldwide. Roger Teeter’s inversion tables are truly built for the benefits, with a focus on features that help you achieve the ultimate in relaxation, comfort and a feel-good decompressive stretch. Trust Teeter for a *better back, better body*®.

Customizable Comfort & Support

- Smooth, durable and easy-to-clean bed surface reduces friction to optimize decompression and comfortably flexes with the user during movement and stretching
- ComforTrak™ Bed with innovative track design holds Teeter’s most popular accessories for a customizable experience that adds pressure-point massage or lower back support (Acupressure Nodes and Lumbar Bridge sold separately)
- Head Pillow can be moved or removed for your comfort needs
- Grip-and-Stretch Handholds built into the ComforTrak Bed and A-frame allow the user to enhance their stretching and decompression
- Ergo-Embrace™ Supports with specialty foam and pressure-reducing design evolved from years-long research to make our most comfortable ankle cups yet
- Customizable with Teeter Hang Ups accessories like EZ-Up Gravity Boots, EZ-Stretch Traction Handles, and Vibration Cushion (sold separately)

Reliable, Trustworthy Performance
