Low water indicator	Standard
Dimensions - net	17.3" x 12.5" x 10.2"
Weight - net	20 lbs
Shipping dimensions	12" x 19.5" x 14"
Shipping weight	29 lbs - 13 kg
Warranty	Reliable™ 1 Year Warranty 3 years on boiler tank

WHY CLEAN WITH STEAM?

Steam deodorizes and sanitizes with heat and moisture and since the only ingredient required for the Enviromate E5 with CSS™ (Continuous Steam System) is water, cleaning your home has never been safer, healthier or more environmentally friendly.

GOOD FOR YOU... BAD FOR GERMS, ALLERGENS AND MORE

The Enviromate E5 with CSS™ eliminates chemical residues, bacteria, viruses, allergens, mold, mildew, dust mites and dangerous pathogens like E. Coli and Salmonella, leaving nothing behind but a safe, chemical-free shine (especially for children and pets who practically live on the floor).

CSS™ TECHNOLOGY

And with our new electronic CSS™ technology, you never have to worry about running out of steam – simply fill the built-in water tank when the water level is low and away you go!

WHAT COMES WITH?

Your E5 comes with a full (Made in Italy) deluxe 13-piece accessory kit that will allow you to take care of all of your cleaning chores. Everything that you need to get started has been included: removable hose and handle, extension tubes (2), rectangular floor brush, triangular upholstery brush, carpet sole plate, squeegee, 30 mm nylon and brass brushes, angle adapter, cloths (2) and a funnel. Plus a 7-piece bonus kit that includes: an extra high-pressure steam gun and extension tube, 30 mm (2) and 60 mm nylon brushes, 30 mm stainless steel brush and a drain cleaner.
