

Assembly Instruction for Katz Sectional

Visible Leg: 6 pcs

Screws: 27 pcs

Back Leg of Ottoman Base: 2pcs

3S Support Leg : 1pc

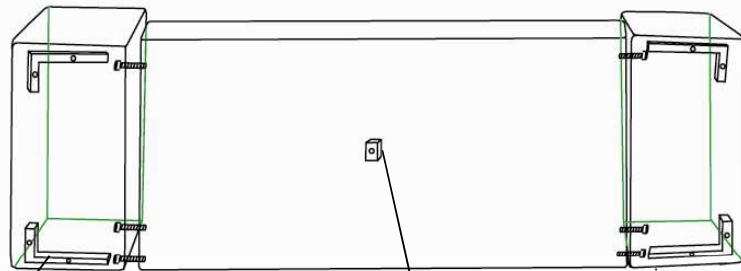

Allen Key: 1pc

Assembly Steps:

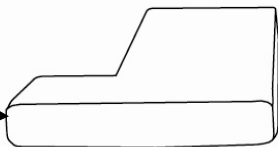

- 1) Assemble 4pcs of visible legs on the armrest as well as 1pc 3S support leg
- 2) Position the BACK of the component pieces of the sectional (Left Arm, Seating, and Right Arm) so that you may access the black bottom mesh covers. Unzip the black covers on the bottom of the Arms and look for 3 pre-drilled connection holes on the arm. Screw in the screws to connect the 3S to the Arms
- 3) Once all screws are secure, return sectional on floor in its natural position with feet on floor
- 4) Assemble 2 pcs of visible legs on the front of moveable base as well as 2 pcs of back leg for the ottoman base
- 5) Position the Ottomen on the desired orientation and place seat cushions accordingly
