

Back Cushion

With ergoPressure™ Technology & Magnet Therapy

Washable

The IMAK® BackCushion offers superior comfort and lumbar support. The unique design hugs your back to help improve posture and reduce stress to the lower back. It features large and small vacuum-formed air pockets, which provide a 'pressure point massage' to your back. Provides comfort and pain relief whether at home, at the office, or on the road.

Key Benefits

- Unique air pocket design helps stimulate blood circulation and invigorate back muscles
- Air pockets allow air to circulate to keep back cool and comfortable
- Perfect for improving the ergonomic comfort of any office chair
- Universally designed to fit nearly every car seat
- Magnets are safe and non-invasive

Use for:

- Back Pain
- Ergonomically correct seating in office, home & car
