

# NESTING TABLES - ASSEMBLY INSTRUCTIONS

Large Table: 1 Tabletop; 2 includes 4 Legs; 3 includes 1 Big Supporting bar / 2 Medium Supporting Bars

Medium Table: 1 Tabletop; 2 includes 4 Legs; 3 includes 3 Supporting bars

Small Table: 1 Tabletop; 2 includes 4 Legs; 3 includes 2 Supporting bars / 2 Small supporting bars

## NOTES:

Large Table: Big Supporting Bar attaches at the back / Medium Supporting Bars attach at the sides.

Small Table: Smaller Supporting bars attach at the back and front of the table

## Step 1

Connect supporting bars with legs

For added stability, we recommend that wood glue (not included) be added to each of the joints during assembly

## Step 2

Connect Tabletop with legs

NOTE: Large and Medium tables have slots for nesting.

For added stability, we recommend that wood glue (not included) be added to each of the joints during assembly
