Product Details		Specification Features
Description:	Quick connect multipoint canopy for use with low voltage quick connect QP series pendants and QF series track heads. Compatible with all WAC Lighting quick connect QP and QF fixtures. Designed to be installed on ceilings or wood surfaces.	<ul style="list-style-type: none"> • Electronic transformer has advanced auto-reset, soft start and short circuit protection features. The soft start delayed lamp start feature extends lamp life by delaying the abrupt inrush current to the lamp. • "Quick-Ship" item, always in stock and available for immediate shipment. • Current compatible pendant and track head selection numbers over two hundred. The full selection can be viewed at the website, www.waclighting.com. • 5 year WAC Lighting product warranty.
Materials:	Formed metal canopy in powder coat painted (BN) or plated finish (CH). Etched glass fascia plate as a decorative element. Back plate is galvanized steel. Three transformers (model EN-1260-R-AR) are electronic low voltage, pre-wired into three quick connect adaptors. Mounting hardware, including screws and wire nuts.	
Transformer:	Contains integral 12v electronic low voltage transformers (three). 120 volt input / 12 volt output. 50hz/60hz. Dims with electronic low voltage dimmers. Maximum wattage for QP & QF fixtures is 50 watts.	
Mounting:	Mounts over a standard 4" junction box. Base plate covers junction box opening, the canopy attaches to base plate with three screws. There are two trade sized knockout on the base plate.	
Finish:	Chrome (CH), and Brushed Nickel (BN).	
Listing:	UL & CUL Listed.
