The Imperial Collection

The cabinet door windows, round satin nickel hardware and contrasting white marble combine both traditional and contemporary elements to give the Imperial vanity an essence of the Victorian era. The white Carrera marble countertop beautifully frames two round undermount sinks. Nesting below the sinks are four functional drawers and two soft-closing double-doors. Like all Design Element Vanities, the solid hardwood cabinet is sealed with a water-resistant coating for long lasting durability. Two matching framed mirrors complete this striking vanity set.
