ALUMINUM

Trap Blister Packaging:

- Eliminates excess waste
- PET packaging environmentally friendly
- 15% Package size reduction

TrueSpot® Reflector:

- Precision spot
- Useful beam pattern

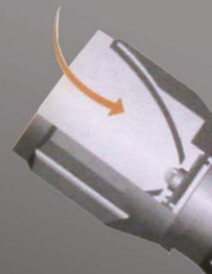

Aluminum Series:

The 190 Lumen LED Aluminum Tactical Flashlight features Dorcy's exclusive TrueSpot® optimized reflector technology for maximum light output. The TrueSpot® reflector technology allows for the flashlight to project a 150 meter beam distance.

The durable aluminum alloy construction allows this flashlight to operate in extreme conditions at temperatures from more than 30 degrees below zero to over +130 Fahrenheit.

The flashlight's tactical switch design offers either a momentary "ON / OFF" capability or a constant "ON" feature, utilizing a push button for momentary-pause or a twist for constant illumination.

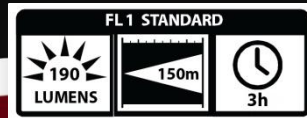

The 190 Lumen LED Aluminum Tactical Flashlight comes complete with 3 AAA cell batteries, providing 3 hours of continuous use.

Aluminum Alloy Construction

Polycarbonate Lens

Tactical Switch

Two-Way Tail Cap Switch

- Tactical Momentary – pause push button switch
- Tail cap twist on / off

Durability:

- Weather resistant
- Aluminum alloy
