## CARE AND MAINTENANCE

Clean furniture frame with wet towel using mild soap and water solution. Dry completely with soft towel. Clean cushions and sling seat material with a mild solution of soap and water and hang cushions to drip dry completely. Store them in a clean dry area of your home. Do not machine wash or dry. Do not use bleach or strong solvents to clean any of your patio furniture. It will harm both fabrics and metal finishes. Caution should be used when using oils, lotions and other chemicals such as chlorine or repeated exposure to extreme weather conditions (including heat), which may cause permanent discoloration to the fabric. To maintain and protect the furniture, always cover it with an outdoor furniture cover or store in a safe area when not in use for long periods of time.

## LIMITED 10 YEAR WARRANTY

### General Residential Warranty

We warranty all our residential use furniture frames for 10 years. The warranty is valid from the date of purchase and applies only to the original purchaser. If your frame fails structurally during normal usage or if the finish peels, cracks or blisters within 2 years, we will repair, refinish or replace the frame at manufacturer's discretion (with same or similar product if discontinued) without charge. Damage as a result of dropping or breaking a cast part other than a weld is not covered under this warranty. Due to the unique nature of hand-applied finishes the color of a replacement item(s) may not match exactly.

### General Commercial Warranty

We warranty all our commercial use furniture frames for 1 year from the date of purchase. Commercial use is defined as use in any public area. If your frame fails structurally during normal usage or if the finish peels, cracks or blisters within 2 years from the date of purchase, we will repair, refinish or replace the frame (with same or similar product if discontinued) without charge. Damage as a result of dropping or breaking a cast part other than a weld is not covered under this warranty. Due to the unique nature of hand-applied finishes the color of a replacement item(s) may not match exactly.
