CAUTION:
Tighten all components
securely before use. Failure
to do so may result in
personal injury.

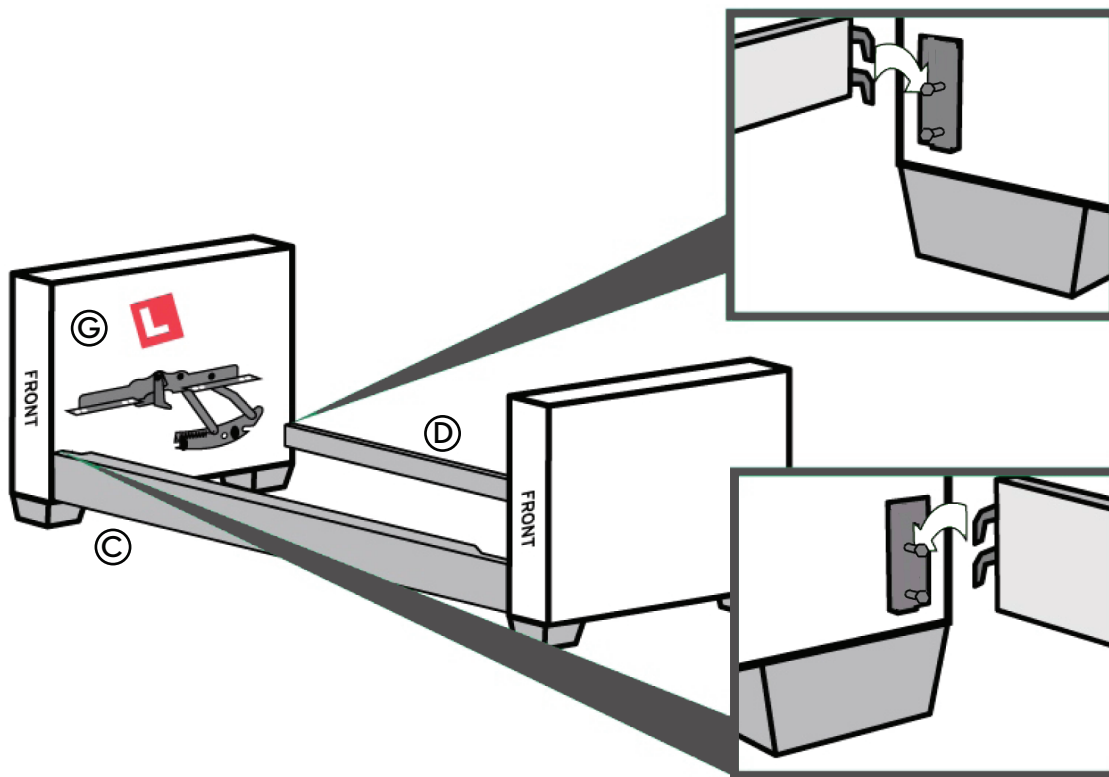

DO NOT use any sharp
objects to open plastic
wrapped components as
damage to product or
components may result.

Step 1

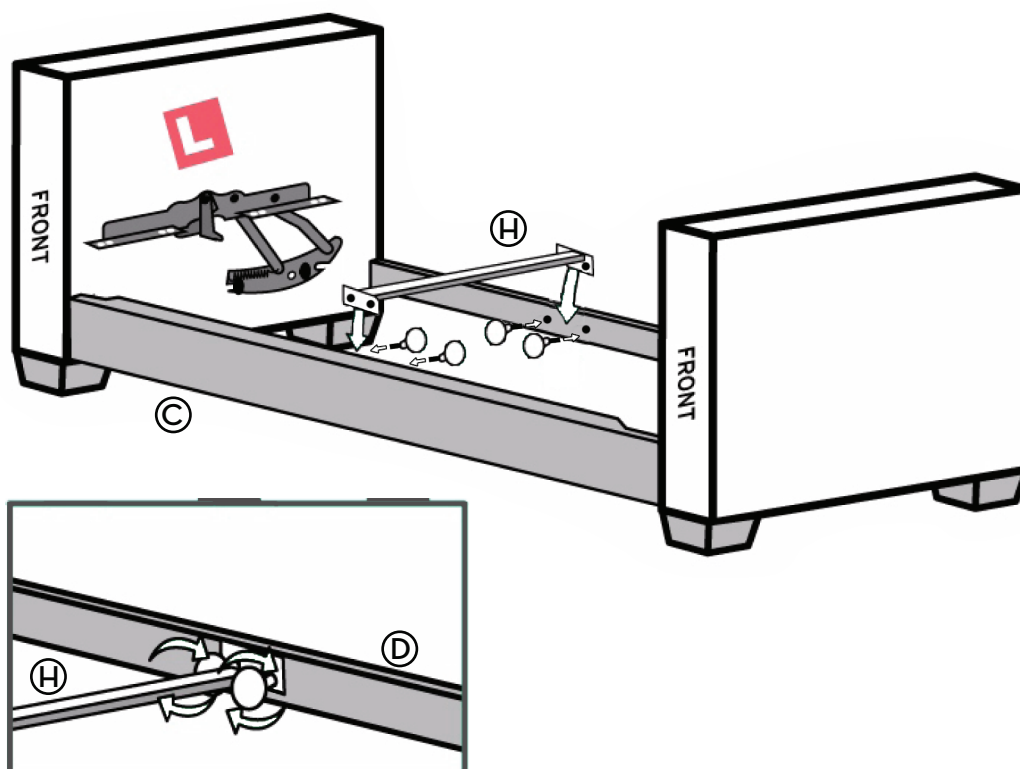

Carefully cut the packing straps using scissors.

Step 2

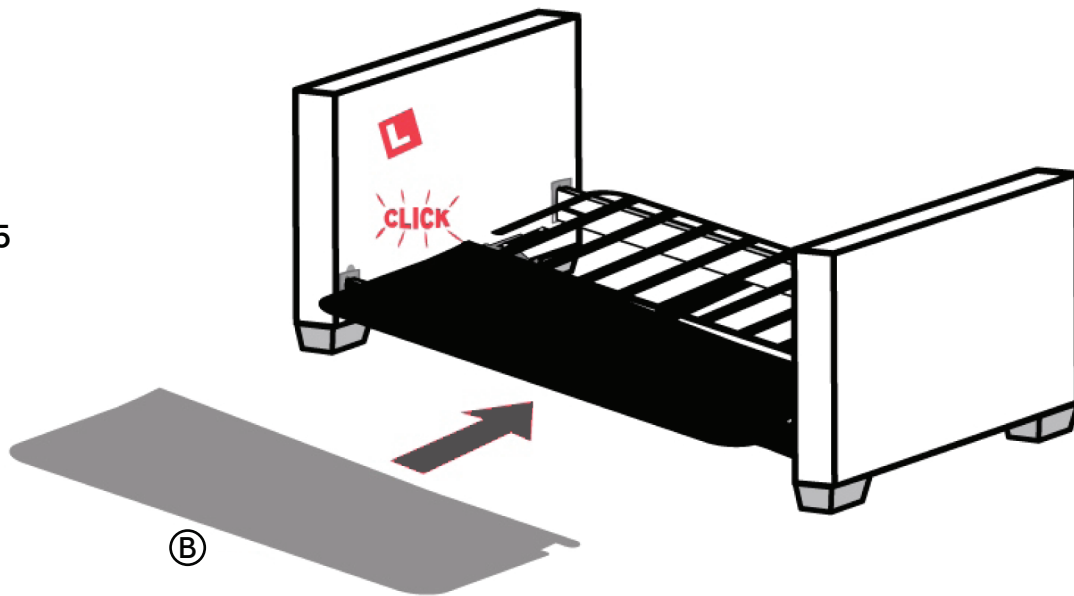

Step 3

Step 4

Step 5

Step 6

Unzip the Cushion Cover (F) and place the 2 Pocket Coil Cushions (E) into the Cushion Cover. Slide the assembled cushion onto the Seat Back (A) and Seat Deck (B) sections. Colors and styles may vary.

Step 7

Hook the front clips on the Seat Cushion Cover (F) onto the back of the Seat Frame bar.

Step 8

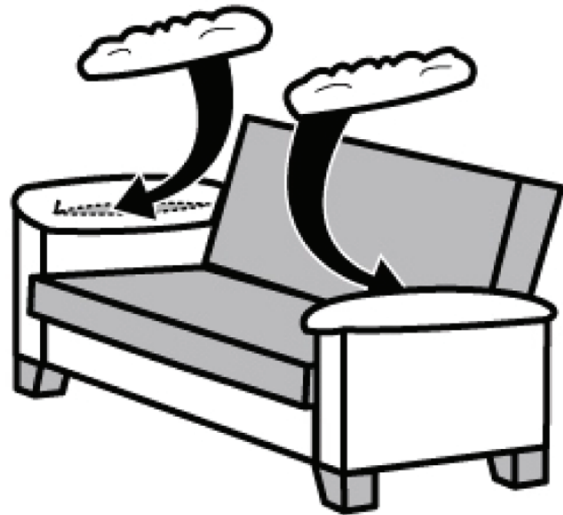

Attach the hook and loop strings on the Back Cushion Cover onto the hook and loop strings on the back rail.

Step 9

Unzip the pillow covers and insert the included pillow filler and padding.

On some models: The armrest pillows need to be unzipped and filled using the included padding inserts.

Convert the Couch to a Bed

Pull up on the Seat Deck until it stops in a vertical position. The Backrest will now be laying flat.

Push against the vertical seat deck until it clicks (1 or 2 times) and unlocks.

Gently let the unlocked vertical seat deck down so it is laying flat. It is now ready to sleep!

Convert the Bed to a Couch

Pull up on the Seat Deck until it clicks twice and locks vertically. Stop at one click if you want the seat to be more reclined.

Pull downwards on the seat deck until it is flat and locks into the seated position.

Ready to sit!
