KEEP THIS MANUAL, SALES RECEIPT & APPLICABLE WARRANTY FOR FUTURE REFERENCE.

ASSEMBLY INSTRUCTION

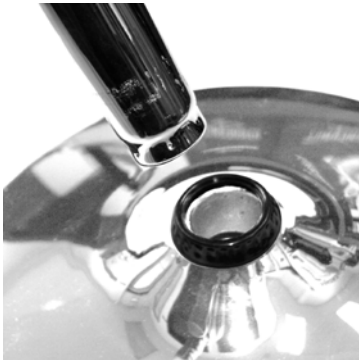

A Black Cap protects the hydraulic mechanism on the Support Cylinder.

Remove the Black Cap and discard it before assembly. The Orange hydraulic button will become visible.

Place the Foot Cap over the center hole on the base plate.

Place the wide end of the Support Cylinder into the center hole.

Press the Support Cylinder down firmly into the center hole.

Press the Table Top onto the narrow end of Support Cylinder.

To raise and lower the Table Top, press the lever under the table and pull upward without applying any weight on the Table. To lower, press the Lever and lean on the Table Top.

To disassemble, turn the stool upside down, and hit the clip on the center of the bottom of the base with a rubber mallet to disengage the locking mechanism. Then, turn the stool right side up, and lift the Seat upward, pulling the Seat Assembly off of the Support Cylinder.

Metal Clip
