

**Taylor Series
TAP225**

Features

Transitional box shaded pendant with enclosed acrylic top and bottom diffuser and polished chrome accent band. Product can be used in various applications including public spaces, gaming areas, dining areas and meeting/conference rooms. Pendant is mounted by two polished chrome stems with a minimum overall height of 19" and includes a stem kit with (4) 6" and (4) 12" increments that can produce an overall height of 36" (24" + 12"). Product is provided with a swivel hang straight to accommodate up to a 15-degree slope ceiling. Fixture mounts to standard junction box (not included).

Construction

Linear channel is die-formed of 22-gauge steel. Mounting hardware is included. Accent band is .060" thick extruded aluminum. Finials are die cast aluminum. Canopy is .040" stamped aluminum. Power supply connections must be made inside a junction box (not included).

Finish

All metal parts are plated polished chrome.

Diffuser

Hard backed, white linen box shade. Diffuser is .100" thick matte white extruded acrylic.

Electrical

This unit is wired with UL listed electronic high power factor program start ballast for 120-277V 50/60Hz AC operation.

Lamping

For use with 2/25 watt linear fluorescent lamps supplied by others.

Certification

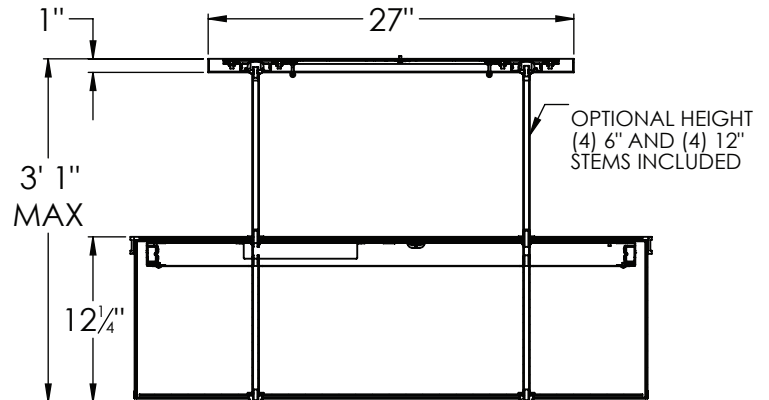

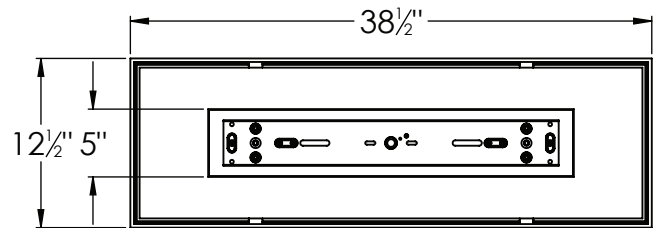

All fixtures are cULus listed for damp locations.
